

HOW TO ADD A VIDEO USING YOUTUBE

The first thing you need to upload a YouTube video to Bay-Delta Live is the URL or embed code.

You can find the URL and embed code in the "share" options under the YouTube video.

Once you've copied either one, go back to Bay-Delta Live. Click on the "Photos/Videos/Docs" icon on the homepage.

The following are the essential items you need to fill out in the editor form to successfully upload a video: Title, Default View, Type, Subtype, and finally paste the embed code.

However, please input as much information as possible for the video so that it's a useful tool in the BDL library.

To start, type in a title in the designated box.
